	D_T Research project entitled Understanding the morphology and textural behaviour in oleate ester during storage under Dr. M. S. Varma Department of Chemical Engineering Panjab University Chandigarh	to 7	S 7
	D_T Research project entitled Large scale Geotechnical application of vulnerable landslide zones along the northern part of Himachal Pradesh National Highway Udhampur and under Dr. Manoj Kumar Department of Geology Panjab University Chandigarh	to 7	S
	D_T_E B Research project entitled On the effect of zirconium on the ultrastructure and associated phenomena in heavy metal ions under Dr. Jaspreet Kaur Department of Physics Panjab University Chandigarh	to 7	S
	D_T_E B Research project entitled De novo transcription sequence of <i>Caussurea lappa</i> to identify and characterize genes involved in constitutive biosynthesis under Dr. Avneet Kaur Department of Biotechnology Panjab University Chandigarh	to	S
	D_T_E B Research project entitled Controls on the product incorporation and decomposition of local natural arbuscular mycorrhizal functional soil protein important to soil carbon sequestration under Dr. Meena Singh Department of Environmental Studies Panjab University Chandigarh	to	S
	D_T_E B Research project entitled Studies on the mediated redox re-uptake of resolution pathways in experimental cells under Dr. Naveen Kaur Department of Biophysics Panjab University Chandigarh	to 7	S
	D_T_E B Research project entitled Antiretroviral therapy for treatment of HIV associated neurocognitive disorders: provision safety and efficacy using nanostructured drug delivery under Dr. Babta Garwal Department of Microbiology Panjab University Chandigarh	to	S

D. T. E. B. research project entitled Multiferroic magnetoelectric properties And
