FOR

M.A. SOCIOLOGY PART II
(ANNUAL SYSTEM)
EXAMINATION, 2012

**GUIDELINE FOR CONTINUING EDUCATION (CE) FOR
 REGULAR DEN OF PROFESSIONAL ENGINEERS (Annual System Except M c
 (Mat e at cs
*(Effective from the First Year Admissions for the Academic Session 2004-2005)***

Continuing Education (CE) is a requirement for all registered Professional Engineers (PEs) to maintain their status. The CE requirement is based on the number of continuing education units (CEUs) earned by the engineer. The CEUs are earned through various activities such as attending seminars, conferences, and taking courses. The CEUs are reported to the Board of Professional Engineers (BPE) through the Continuing Education Report (CER) form.

- C 103 Urban Economics
- C 104 Economics of Family and Gender
- C 105 Dissertation

MA Part II

OC HEO E ICAL PE PEC I E IN OCIOLOGY

Object ve

This course is intended to introduce students to substantive or theoretical approaches to the study of contemporary and continuing practices of social theory. The focus of this course will be on theoretical perspectives such as structural functionalism, conflict theory, and systems theory. Interaction with the theory of Marx and other social theorists will be a significant part of the course. The course will also introduce students to the theory of social change and social structure.

INSTRUCTIONS FOR PAPER SETTER AND THE CANDIDATES:

Theory question paper will be set in two parts. The first part will be of 100 marks and the second part will be of 100 marks. The duration of the paper will be 3 hours.

For provision of the paper, candidates should not be allowed to see the question paper before the examination. The paper will be set by the theory paper proportionately to the marks to be awarded for the paper. The duration of the paper will be 3 hours.

the paper setter must put note in the question paper
