Paper-I

Conflict Resolution & Peace Building

Ma u ar s
ory
Int rna Ass ss nt

Objective: pap r s approach s to various forms of Conflict resolution and Peace Building

Instructions for the Examiners and Students

Each question carries marks as indicated. Candidates are required to attempt five questions selecting at least two from each section. The duration of the paper is 1 hour. Candidates are advised to read the instructions carefully before attempting the questions. Each question carries marks as indicated in the question paper. The duration of the paper is 1 hour.

SECTION-I

Conflict resolution and Peace Building: A theoretical and practical approach to Conflict resolution and Peace Building. The course covers various aspects of Conflict resolution and Peace Building, including the role of the state, the role of the individual, and the role of the community. It also covers the role of the media and the role of the international community.

SECTION-II

Conflict resolution and Peace Building: A practical approach to Conflict resolution and Peace Building. This section focuses on the practical aspects of Conflict resolution and Peace Building, including the role of the state, the role of the individual, and the role of the community. It also covers the role of the media and the role of the international community.
